What's New in the Scan Attach For Outlook?

* Scan & Attach is a handy Outlook plugin that saves you time whenever you want to scan a document and send it as Outlook email attachment. It adds a "Scan & Attach" button to new Outlook emails and replies. When that button is clicked the scanner begins the

scanning process. The scanned image will then directly be attached to the Outlook email as a PDF, TIFF, JPEG, PNG or BMP file. * When required the "Scan & Preview" button opens a full blown image editor. All the options you may possibly need to adjust, crop, flip or reorder the scanned images before attaching them to the Outlook email are there. The editor supports multiple languages and 18 different

skins to offer you the interface that you prefer best. 5. Outlook Scans - Business & Productivity Tools...
