Message: > Another year has gone by, and we've been working hard to bring you innovative CAD features to help you design the life of your dreams. > If you're ready to start building, Autodesk has worked hard to bring you the latest and best AutoCAD, Autodesk® AutoCAD LT, and AutoCAD LT for Mac. > In previous years, we introduced features like intelligent components that let you make fast, accurate parts while working within

templates, unlimited dimensions, multi-user and multi-device collaborative drawing and modeling tools, and enhanced 2D and 3D editing. > Now we're making AutoCAD more accessible than ever with the latest AutoCAD LT software, which features industry-leading price-performance, and the new AutoCAD LT for Mac. > AutoCAD LT 2019 software delivers over 10 times the drawing, modeling and editing power of AutoCAD LT 2018 for a total new drawing solution that's up to 10 times faster than AutoCAD LT 2018. > So, whether you're looking to begin drafting, or add power to your current work flow, you're in for a treat. > Just click the link below to download the latest software, or click here to have one mailed to you!
