• Social Game World | Game Review "The world itself is large, colorful, and vibrant, with realistic-looking monsters, detailed areas, and lush graphics. Fans of fantasy RPGs will immediately feel at home here, and those who've never heard of the genre might just enjoy it, too." — Gaming Nexus "...I found myself immersed in a world where my choices had real consequences and the story I was telling was much more interesting because of it." — IGN "Elixir Online is a beautifully designed RPG with an entertaining story line to compliment it. It's a title I'm very interested in seeing grow." — GameZone "Elixir Online is a refreshing take on the classic fantasy RPG. For players who enjoy the good old days of spell casting, RPG combat, and lengthy character development, this is the game for you." — The Bit Brigade "I've never known a game quite like this one. Everything about the game was originally created with love and care, including the execution." — RPGamer ©2018 From Software, Inc.
